

RUSS PEAK

INTRODUCTION

Notes to introducer: Please read over and practice this introduction in advance of the presentation so that you will be able to introduce smoothly and with enthusiasm. Also, please gather the audience's full attention before proceeding with introduction. A good intro makes us BOTH look good. Break a leg!

Today's speaker is recognized as one of the world's most skilled mentalists or "thought readers"! His name is Russ Peak. And I'm sure you'll find, in just a few moments, that when Russ Peak takes the stage, it's not just a performance - it's a mind-blowing presentation of the "IMPOSSIBLE".

Russ is a performing member of Hollywood's Magic Castle. He performs over 200 outstanding presentations each year for a variety of audiences including universities, cruise lines, conventions and for corporate giants. He has also been featured both on television and the show rooms of Las Vegas.

I know that you will be both entertained and inspired with this refreshingly unique presentation that is filled with humor, magic of the mind, and an incredible high-energy message that is guaranteed to take your minds and actions from the ordinary to the extraordinary!

So join me as we put our hands together and welcome on to the stage: Magician of the MIND... **Russ Peak!**
